Hardy Perennials

OUR PERENNIALS ARE FIELD-BED GROWN, WHICH MEANS YOU WILL GET STRONG, WELL ROOTED, PROPERLY GROWN PLANTS.

- 10 Digitalis—(Foxglove) Giant Shirley Mixture. Enormous Spikes 3 to 5 feet high. There will be colors of, buff tinged cream, Whites, pinks and Varied pinks, often charmingly spotted.
- 10 Gaillardia—The Dazzler. This handsome perennial attains a height of 2 feet. Flowers usually wine red to maroon, with golden edges on tall, strong stems; very useful for cut flowers and a magnificent specimen in hardy border.
- 10 Gypsophila—(Babys Breath) Starry pink flowers. The dainty, airy flowers are high and graceful. Valuable for misty border effects, or adding airiness to cut flower arrangements.
- 10 Sweet William—The fashionable garden favorites, flowering in June and July on two ft. stems. You get a select mixture of; dark crimson, pinks, whites and scarlets.
- Alyssum—(Saxatile Compactum) Gold Dust. Rich golden yellow. Multitudes of brilliantly golden flowers seem to be poured on silvery foliage.
- Aquilegia—(or Columbine) Mrs. Scott Elliotts excellent hybrids, long spurred types of, yellows, copper, blue, white, scarlet and pink. Selected for length of spurs and extended range of hue and tone.
- Shasta Daisy—Soundly hardy, long lived. The standard in daisies. Big daisies of ten 4 to 5 inches across.
- For—Get—Me—Not—(Myostis) Notable for its royal blue dainty blossomes. A true perennial of pretty, graceful habit.
- Coreopsis—Large flowering golden-yellow Coreopsis. Best for cutting and most showy in the borders.
